

Apple - back cover for mobile phone(MGFW4ZM/A)

Apple - Back cover for mobile phone - MagSafe compatibility - polycarbonate - clear - for iPhone 17 Pro Max

The Apple protective cover offers reliable security for your cell phone with its durable polycarbonate material. This back cover provides essential drop and scratch protection while enhancing usability with built-in magnets. Its compatibility with Qi and Qi2 wireless charging standards ensures a seamless charging experience, making it an accessory for any modern smartphone user.

Designed with magnet compatibility, this case simplifies the charging process while ensuring your device remains securely housed. Rely on the protection and convenience this Apple case provides, crafted to offer both style and functionality.

Key Selling Points

- Provides drop protection for peace of mind
- Scratch protection maintains device appearance
- Compatible with Qi and Qi2 wireless charging standards
- Incorporates built-in magnets for charging convenience
- Designed specifically for cell phones

Product Features

- Durable construction**
Made from polycarbonate material, this protective cover is built to withstand daily wear and tear, ensuring your device is shielded from damage.
- Enhanced protection**
Features both drop and scratch protection to keep your cell phone looking new while preventing potential impact damage.
- Wireless charging compatibility**
Supports Qi and Qi2 wireless charging standards, allowing for easy charging without removing the case.
- MagSafe compatibility**
Incorporates built-in magnets that align perfectly with MagSafe accessories, ensuring a secure connection while charging.
- Sleek design**
The back cover is designed to fit snugly on your device, offering a slim profile that doesn't add unnecessary bulk.
