

Apple - back cover for mobile phone(MGFR4ZM/A)

Apple - Back cover for mobile phone - MagSafe compatibility - silicone - black - for iPhone 17 Pro Max

The Apple protective cover offers a reliable way to safeguard your cell phone. Made from recycled silicone, this case contributes to environmental sustainability while providing essential drop and scratch protection to keep the device in pristine condition. Its back cover design includes built-in magnets for convenient attachment and enhanced functionality, ensuring a secure fit every time.

Featuring a microfiber lining, this case prevents scratches on the phone's surface while adding a touch of elegance. Additionally, the case is compatible with MagSafe and supports Qi and Qi2.2 wireless charging standards, allowing for easy and efficient charging without needing to remove the cover. Choose this protective cover by Apple for its blend of style and practicality.

Key Selling Points

- Made from recycled silicone for an eco-friendly choice
- Designed for drop and scratch protection
- Includes built-in magnets for secure attachment
- Features a microfiber lining to prevent scratches
- Compatible with MagSafe and wireless charging standards

Product Features

- Durable and protective design**
This protective cover is engineered to provide drop and scratch protection, ensuring that the device remains safe from damage even in everyday use.
- Eco-conscious materials**
Crafted from 45% recycled silicone, this case represents a commitment to sustainability while maintaining quality and reliability.
- User-friendly compatibility**
The case is designed to be compatible with MagSafe technology, allowing for a seamless connection to various accessories and providing an enhanced experience.
