Cisco Spare - telephone wall mount kit for VoIP phone(CP-7800-WMK=)

Cisco Spare - Telephone wall mount kit for VoIP phone - for IP Phone 7821, 7841

The Cisco Wall Mount Kit for IP Phone 7821 and 7841 allows the office phone to be conveniently affixed to the wall in common areas such as lobbies, cafeterias and conference centres. This phone wall mount kit is designed for installation in drywall. To attach the wall mount kit to concrete, brick or other hard surfaces, the appropriate screws and anchors must be obtained separately.

Product Features
