

Apple Magic Keyboard Folio - keyboard and folio case - with trackpad - QWERTY - UK Input Device(MQDP3B/A)

Apple Magic Keyboard Folio - Keyboard and folio case - with trackpad - Apple Smart connector - QWERTY - UK - for iPad Wi-Fi (10th generation)

The Magic Keyboard Folio is a great iPad (10th generation) companion. It features an incredible typing experience, a built-in trackpad to handle tasks with precision, and a 14-key function row. The versatile two-piece design includes a detachable keyboard and a protective back panel that both attach magnetically to iPad. An adjustable stand offers smooth, continuous viewing. And the Magic Keyboard Folio helps iPad stay protected wherever you go.

Key Selling Points

- Comfortable typing experience with a scissor mechanism with 1 mm travel
- Large click-anywhere trackpad supports multi touch gestures and the cursor in iPadOS
- 14-key function row for easy access to shortcuts
- Versatile two-piece design provides front and back protection and detachable keyboard
- Adjustable stand for flexible viewing angles
