

LaCie 2big Dock STLG48000400 - hard drive array(STLG48000400)

LaCie 2big Dock STLG48000400 - Hard drive array - 48 TB - 2 bays (SATA-600) - HDD 24 TB x 2 - Thunderbolt 4, USB 3.2 Gen 2 (external) - with 5 years Rescue Data Recovery Service Plan

The LaCie 2big Dock is a comprehensive storage solution designed to enhance the efficiency and productivity of creative professionals. With 48 TB of storage capacity, it caters to the extensive data management needs of photographers, videographers, and digital artists. The device is not just about storage; it's a hub that connects your entire digital workspace. Featuring Thunderbolt 3 and USB 3.2 Gen 2 interfaces, it offers fast data transfer speeds, making it perfect for time-sensitive projects that require quick access to large files.

Moreover, the LaCie 2big Dock simplifies the workflow with its integrated CFast 2.0, CFexpress Type-B, and SD card readers, allowing for seamless transfer of media from cameras to the array. The robust aluminum enclosure, complemented by a built-in cooling fan, ensures the device operates at optimal temperatures, enhancing its durability and reliability. Additionally, its support for daisy chaining enables users to connect multiple devices through a single Thunderbolt 3 port, significantly reducing cable clutter and maximizing efficiency in the workspace. Whether you're a professional photographer, videographer, or digital artist, the LaCie 2big Dock is engineered to keep you productive and your data secure.

Key Selling Points

- 48 TB total storage capacity meets extensive data management needs
- Thunderbolt 3 and USB 3.2 Gen 2 for high-speed data transfer
- Built-in CFast 2.0, CFexpress, and SD card readers for easy media access
- Aluminum enclosure with cooling fan ensures durability and longevity
- Daisy chaining support for streamlined workspace setup

Product Features

- Versatile connectivity**
Equipped with Thunderbolt 3 and USB 3.2 Gen 2 interfaces, the LaCie 2big Dock offers high-speed connections to a variety of devices, ensuring efficient data transfer and flexibility for creative professionals.
- Robust storage capacity**
With a total array capacity of 48 TB and featuring hard drives configured in RAID 0 for optimal speed and reliability, this hard drive array is designed to meet the demands of intensive data storage and backup.
- Integrated card readers**
The built-in CFast 2.0, CFexpress Type-B, and SD card readers provide convenient access to media, making it easier for photographers and videographers to quickly transfer files from their cameras to the array.
- Enhanced durability**
An aluminum enclosure not only gives the LaCie 2big Dock a sleek, professional appearance but also acts as a heat sink, complemented by a built-in cooling fan to maintain optimal operating temperatures.
- Effortless daisy chaining**
Support for daisy chaining allows users to connect multiple devices through a single Thunderbolt 3 port, maximizing workspace efficiency and reducing cable clutter.

Main Specifications

Product Description	LaCie 2big Dock STLG48000400 - hard drive array
Device Type	Hard drive array
Colour	Black
Total Array Capacity	48 TB
Interface	Thunderbolt 4, USB 3.2 Gen 2
Installed Devices / Modules Qty	2 (installed) / 2 (max)
Supported Drives	SATA-600
Localisation	Worldwide

Built-in Devices	SD card reader, CFast 2.0 card reader, CFexpress Type B card reader, status LED
Storage Controller	RAID (SATA 6Gb/s) - RAID 0, 1, JBOD
Hard Drive	2 x 24 TB HDD SATA 6Gb/s HFS+ formatted, RAID 0 - factory configured, Enterprise Class, 24x7 availability - Seagate
OS Required	Apple iPadOS 14 or later
Dimensions (WxDxH)	11.8 cm x 21.7 cm x 9.33 cm
Weight	3.835 kg
Manufacturer Warranty	5-year warranty
Bundled Services	5 years Rescue Data Recovery Service Plan

Extended Specification

General

Device Type	Hard drive array
Enclosure Colour	Black
Localisation	Worldwide

Expansion / Connectivity

Expansion Bays	2 (total) / 0 (free) x hot-swap - 3.5"
Expansion Slots	1 (total) / 1 (free) x SD Card 1 (total) / 1 (free) x CFast 1 (total) / 1 (free) x CFexpress
Interfaces	2 x Thunderbolt 4 - 24 pin USB-C 1 x DisplayPort - 20 pin DisplayPort (1.4) 1 x USB 3.2 Gen 2 - 9 pin USB Type A

Manufacturer Warranty

Bundled Services	5 years Rescue Data Recovery Service Plan
Service & Support	Limited warranty - 5 years

Storage

Total Array Capacity	48 TB
HDD Array External Interface	Thunderbolt 4, USB 3.2 Gen 2

Miscellaneous

Features	Security lock slot (cable lock sold separately), aluminum enclosure, built-in cooling fan, daisy chaining support
Cables Included	USB-C cable
Software Included	Adobe Creative Cloud All Apps (1 month membership), LaCie RAID Manager, LaCie Toolkit

Power

Power Device	External power adapter
--------------	------------------------

Storage Controller

Type	RAID
Interface Type	SATA 6Gb/s
Data Transfer Rate	600 MBps
RAID Level	RAID 0, RAID 1, JBOD

System Requirements

OS Required	Apple iPadOS 14 or later
-------------	--------------------------

Hard Drive

Type	HDD
Capacity	2 x 24 TB
Interface Type	SATA 6Gb/s
Spindle Speed	7200 rpm
Features	HFS+ formatted, RAID 0 - factory configured, Enterprise Class, 24x7 availability
Manufacturer	Seagate

Dimensions & Weight

Width	11.8 cm
Depth	21.7 cm
Height	9.33 cm
Weight	3.835 kg

Dimensions & Weight (Shipping)

Shipping Width	30.2 cm
Shipping Depth	18 cm
Shipping Height	23.9 cm
Shipping Weight	4.457 kg

Chassis

Built-in Devices	SD card reader, CFast 2.0 card reader, CFexpress Type B card reader, status LED
Installed Devices / Modules Qty	2
Supported Devices / Modules Qty	2
Supported Drives	SATA-600
