

Beats - back cover for mobile phone(MGTN4LL/A)

Beats - Back cover for mobile phone - with kickstand and camera control - MagSafe compatibility - polycarbonate - lime stone - for iPhone 17 Pro

The Apple Beats protective cover offers reliable protection for your cell phone, integrating a sleek design with practical functionality. Made from durable polycarbonate, this back cover features a soft microfiber lining that adds sophistication while safeguarding against drops and scratches. Built-in magnets ensure a secure fit, while the compatible camera control allows users to capture moments effortlessly.

Equipped with a removable kickstand, the case provides hands-free viewing, perfect for watching videos or video calls. Its wireless charging support means convenience is never compromised, allowing charging without the need to remove the case. With a matted finish and shock-absorbing sidewalls, this protective cover balances style and durability for everyday use.

Key Selling Points

- Durable polycarbonate construction
- Soft microfiber lining for added protection
- Removable kickstand for hands-free viewing
- Compatible with camera control
- Drop and scratch protection

Product Features

- Durable construction**
The protective cover is made from polycarbonate, ensuring longevity and resilience against daily wear and tear.
- Magnetic functionality**
Built-in magnets provide secure attachment and allow seamless integration with various accessories.
- Versatile usability**
Designed for cell phones, the case supports wireless charging and maintains compatibility with camera control for easy photography.
- Enhanced protection**
Features shock-absorbing sidewalls to safeguard against impacts, combined with scratch protection to maintain the device's appearance.
- Convenient kickstand**
The removable kickstand allows for multiple viewing angles, making it easier to enjoy media hands-free.
