

Beats - back cover for mobile phone(MGKG4LL/A)

Beats - Back cover for mobile phone - camera control - MagSafe compatibility - polycarbonate - bedrock blue - for iPhone 17 Pro

The Apple Beats protective cover combines style and functionality to keep your cell phone safe. Crafted from durable polycarbonate, this back cover features shock absorbing sidewalls and a hardshell design, ensuring drop and scratch protection. Enjoy a matted finish that provides a soft microfiber lining for added comfort in your hands. The built-in magnets allow for effortless wireless charging, making it a convenient choice for everyday use. Additionally, the double-shot design and camera control compatibility contribute to a seamless user experience.

Key Selling Points

- Durable polycarbonate material for reliable protection
- Shock absorbing sidewalls provide drop and scratch protection
- Built-in magnets enable wireless charging
- Soft microfiber lining offers a comfortable grip
- Compatible with camera control for convenience

Product Features

- Robust Protection**
This protective cover offers drop and scratch protection, ensuring your device remains safe in various conditions. The shock absorbing sidewalls enhance its durability against accidental falls.
- Functional Design**
Crafted with a hardshell back and double-shot design, this case secures your phone and adds a stylish touch. The matted finish contributes to its appearance.
- Versatile Compatibility**
Enjoy the convenience of wireless charging support thanks to the integrated magnets. The case is designed to be compatible with camera control, enhancing the functionality of your device.
