

Beats - back cover for mobile phone(MGJW4LL/A)

Beats - Back cover for mobile phone - camera control - MagSafe compatibility - polycarbonate - bedrock blue - for iPhone Air

The Apple Beats protective cover offers a robust solution for safeguarding your cell phone while maintaining a sleek design. Made from durable polycarbonate, this back cover ensures optimum protection against drops and scratches. The hardshell back with a matted finish enhances grip and features built-in magnets for a secure attachment to MagSafe-compatible accessories. The soft microfiber lining adds comfort while preventing scratches on your phone's surface. Users will appreciate the shock-absorbing sidewalls that provide additional drop protection. Designed to work seamlessly with your phone's camera control, this double-shot design allows you to capture moments effortlessly while your phone remains protected.

Key Selling Points

- Durable polycarbonate construction for reliable protection
- Built-in magnets for secure MagSafe compatibility
- Soft microfiber lining to prevent scratches
- Shock-absorbing sidewalls for drop protection
- Modern double-shot design adds style and functionality

Product Features

- Innovative design**
The double-shot design of the Beats case provides a visually appealing look while ensuring protective qualities are not compromised.
- Superior protection**
With drop and scratch protection features, this case effectively shields your phone from everyday wear and tear.
- Soft lining**
The soft microfiber lining inside the case prevents external scratches and adds comfort when handling your phone.
- Wireless charging support**
The design supports wireless charging, allowing for convenient charging without removing the case.
- Secure fit**
The built-in magnets ensure a secure fit with MagSafe accessories, enhancing overall functionality.
