

Apple - back cover for mobile phone(MXQR3ZM/A)

Apple - Back cover for mobile phone - MagSafe compatibility - silicone - black - for iPhone 15 Plus

Discover a blend of style and functionality with Apple's silicone case, designed specifically for your cell phone. This protective cover not only shields your device from drops and scratches but also supports wireless charging, thanks to its Qi compatibility. The built-in magnets ensure a secure fit, while the soft-touch silicone material offers a comfortable grip, reducing the risk of accidental drops. Inside, a soft microfiber lining adds an extra layer of protection, keeping your phone looking new. Whether you're at home, work, or on the go, this case provides convenience and protection for your device.

Key Selling Points

- Built-in magnets for a secure attachment
- Soft-touch silicone material for enhanced grip and comfort
- Supports Qi wireless charging for convenience
- Soft microfiber lining for additional protection
- Designed for drop and scratch protection

Product Features

- Enhanced durability**
Designed with silicone material and soft microfiber lining, this protective cover offers exceptional durability against drops and scratches, ensuring your cell phone remains in pristine condition.
- Wireless charging compatibility**
Equipped with built-in magnets and supporting Qi wireless charging standards, this case allows for effortless charging without the need for removing the cover, providing both protection and convenience.
- Sleek design**
The back cover's soft-touch finish not only feels great in your hand but also adds a layer of grip, reducing the likelihood of accidental drops while maintaining the phone's aesthetic appeal.
