

Beats - back cover for mobile phone(MCFR4LL/A)

Beats - Back cover for mobile phone - MagSafe compatibility - plastic - summit stone - for iPhone 16 Pro Max

The Apple Beats protective cover is designed for cell phones, ensuring that devices remain protected without compromising style. Made from durable plastic, this back cover features built-in magnets for a secure fit and convenient use. The soft microfiber lining adds an extra layer of protection, contributing to overall device longevity.

With support for wireless charging and compatibility with camera control, this case combines functionality with style. MagSafe compatibility ensures that the cover aligns with other accessories, enhancing usability while safeguarding the device from drops and everyday wear and tear.

Key Selling Points

- Protective cover for cell phone
- Built-in magnets for a secure fit
- Soft microfiber lining for added comfort
- Supports wireless charging
- Magsafe compatibility for easy accessory use

Product Features

- Effective protection**  
This case provides scratch-resistant protection and drop protection, ensuring devices remain in excellent condition.
