

Beats - back cover for mobile phone(MCFL4LL/A)

Beats - Back cover for mobile phone - MagSafe compatibility - plastic - midnight black - for iPhone 16 Pro

Enhance the protection of your cell phone with the Beats protective cover. Crafted from durable plastic, this back cover is designed to withstand scratches and drops, providing reliable safeguards against everyday wear and tear. The soft microfiber lining offers a gentle touch, ensuring that your device remains free from scuffs while being stylish. With built-in magnets and MagSafe compatibility, this case allows for convenient wireless charging and supports camera control, making it a practical choice for anyone looking to keep their phone secure and functional.

Key Selling Points

- Durable plastic construction for reliable protection
- Soft microfiber lining prevents scratches
- Built-in magnets simplify wireless charging
- Compatible with camera control
- Magsafe compatibility for enhanced functionality

Product Features

- Robust Protection**
The protective cover is designed to resist scratches and drops, ensuring that your device remains safe from damage during everyday use.
- Soft and Gentle Lining**
Featuring a soft microfiber lining, this case helps maintain the device's sleek appearance by preventing scuffs and scratches.
- Convenient Wireless Charging**
Built-in magnets allow for smooth wireless charging, eliminating the hassle of removing the case each time you charge your phone.
- Camera Control Compatibility**
This case supports camera control, making it easier to capture moments without removing the cover.
- Magsafe Compatibility**
Optimize your experience with MagSafe technology, ensuring seamless accessory attachments and efficient charging solutions.
