

Beats - back cover for mobile phone(MCFP4LL/A)

Beats - Back cover for mobile phone - MagSafe compatibility - plastic - sunset purple - for iPhone 16 Pro

The Apple Beats protective cover is designed for effortless use and maximum protection of your cell phone. Made from durable plastic, this back cover ensures scratch resistance and drop protection, safeguarding your device from everyday wear and tear. Its soft microfiber lining adds an extra layer of comfort while preventing scratches to the phone's surface.

Features like built-in magnets enhance convenience, allowing for easy attachment and secure placement. This protective cover also supports wireless charging and is compatible with camera control, making it a practical choice for those who want to maintain functionality while keeping their phone safe. The MagSafe compatibility elevates its usability, ensuring a reliable connection with other accessories.

Key Selling Points

- Scratch-resistant and drop protection for durable use
- Built-in magnets for easy attachment
- Wireless charging support for convenient power-up
- Compatible with camera control for seamless usage
- Magsafe compatibility for enhanced accessory use

Product Features

- Effective Protection**
This protective cover offers effective scratch resistance and drop protection, ensuring that the device remains safe from potential damage.
- Convenient Design**
The cover features built-in magnets that allow for easy attachment and secure placement on compatible surfaces.
- Versatile Functionality**
Wireless charging support and compatibility with camera control boost the versatile functionality of this cover, making phone use more efficient.
- Soft Microfiber Lining**
The soft microfiber lining protects the phone's surface from scratches while ensuring a comfortable grip.
- Magsafe Compatible**
This cover is MagSafe compatible, providing reliable connections with compatible accessories for enhanced usability.
