

Beats - back cover for mobile phone(MGJP4LL/A)

Beats - Back cover for mobile phone - rugged - camera control - MagSafe compatibility - soft thermoplastic polyurethane (TPU) - alpine gray - for iPhone 17 Pro

The Apple Beats protective cover offers a blend of style and functionality, designed for cell phone use. Made from soft thermoplastic polyurethane (TPU), this back cover features a textured finish that provides extra grip for secure handling. With built-in magnets, the cover ensures convenient wireless charging support, making it practical for daily use. In addition to its stylish protection, the cover has features such as shock-absorbing corners and sidewalls, safeguarding your device against drops and impacts. The scratch-resistant material, soft microfiber lining, and compatibility with camera control enhance the user experience, making this Apple Beats case a choice for those seeking durable protection without sacrificing style.

Key Selling Points

- Made from soft thermoplastic polyurethane for a comfortable feel
- Features built-in magnets for convenient wireless charging
- Includes shock-absorbing corners and sidewalls for enhanced protection
- Textured finish provides extra grip for better handling
- Compatible with camera control for added convenience

Product Features

- Durable protection**
The protective cover is scratch-resistant and designed to absorb impacts, offering robust drop protection for your device.
- Enhanced usability**
The case is compatible with camera control, allowing for easy access to photography functions without removing the cover.
- Stylish design**
A textured finish combined with a sleek profile helps in providing extra grip for secure handling.
- Convenient charging**
With built-in magnets, this cover supports wireless charging, ensuring that your phone stays powered up with ease.
- Soft interior lining**
The soft microfiber lining prevents scratches on your phone's surface, ensuring a pristine look while being protected.
