

Beats - back cover for mobile phone(MGK04LL/A)

Beats - Back cover for mobile phone - rugged - camera control - MagSafe compatibility - soft thermoplastic polyurethane (TPU) - alpine gray - for iPhone 17

The Apple Beats protective cover provides reliable and stylish protection for your cell phone. Made from soft thermoplastic polyurethane (TPU), this back cover ensures a secure fit while offering drop protection and impact-absorbent features. The scratch-resistant finish and shock-absorbing corners enhance durability, making it ideal for everyday use. This case is designed with practicality in mind, featuring built-in magnets for seamless MagSafe compatibility and extra grip for handling. The soft microfiber lining prevents scratches on your device while accommodating camera control with ease. The thoughtful design ensures your phone remains accessible and safeguarded, merging functionality with a sleek aesthetic.

Key Selling Points

- Made from soft thermoplastic polyurethane for durability
- Shock-absorbing corners and sidewalls for extra protection
- Scratch-resistant and drop protection for everyday use
- Compatible with MagSafe for convenient wireless charging
- Textured finish for enhanced grip

Product Features

- Durable material**
The protective cover is crafted from soft thermoplastic polyurethane, ensuring a lightweight yet resilient barrier against daily wear and tear.
- Enhanced protection**
Featuring shock-absorbing corners and sidewalls, this case effectively minimizes impact damage, providing comprehensive drop protection.
- Convenient compatibility**
With built-in magnets, the case supports MagSafe wireless charging, allowing for a hassle-free charging experience without removing the cover.
- Grippy texture**
The textured finish of the case adds visual appeal and improves grip, helping to prevent accidental drops.
- Inner lining**
The soft microfiber lining protects the phone's surface from scratches while ensuring a snug fit that complements the device's design.
