

Beats - back cover for mobile phone(MGJ84LL/A)

Beats - Back cover for mobile phone - rugged - camera control - MagSafe compatibility - soft thermoplastic polyurethane (TPU) - everest black - for iPhone 17 Pro Max

The Apple Beats protective cover is designed to provide protection for your cell phone while maintaining a stylish look. Made from soft thermoplastic polyurethane (TPU), this case features a textured finish that enhances grip and makes it easy to hold. It incorporates built-in magnets for convenient attachment and is compatible with wireless charging, allowing you to power up your device effortlessly.

With a combination of shock-absorbing corners and sidewalls, this case ensures your phone has drop protection and impact absorption. The lining is made from soft microfiber, offering additional care for your device's surface. It supports camera control and minimizes scratches, making it a reliable choice for everyday protection.

Key Selling Points

- Made from soft thermoplastic polyurethane for protection
- Textured finish enhances grip and prevents slips
- Built-in magnets for easy attachment and wireless charging
- Shock-absorbing corners and sidewalls provide drop protection
- Soft microfiber lining protects against scratches

Product Features

- Durable material**
Constructed from soft thermoplastic polyurethane, this case offers effective protection against everyday wear and tear.
- Enhanced grip**
The textured surface is designed to fit comfortably in hand, reducing the chances of accidental drops.
- Wireless charging support**
Convenient wireless charging capabilities mean no need to remove the case for charging your device.
- Shock absorbing design**
With shock-absorbing corners and sidewalls, this case helps to safeguard against impacts and falls.
- Scratch resistance**
The protective cover is designed to resist scratches and maintain its quality over time.
