Broadcom SAS internal cable - 1 m(05-60003-00)

Broadcom - SAS internal cable - Slim SAS (SFF-8654) (M) to Mini SAS HD (SFF-8643) - 1 m

This cable enables connection from 95xx series MegaRAID and HBA Tri-Mode adapters to SAS, SATA, and PCIe (NVMe) devices.

Key Selling Points

Serial ATA / SAS interface for broad device compatibility
Slim SAS (SFF-8654) to dual Mini SAS HD (SFF-8643) connectors
Designed for high-speed data transfer and enhanced performance

Product Features

Efficient connectivity
The Broadcom internal cable is designed for robust and efficient connectivity, featuring a Slim SAS (SFF-8654) male connector on one end and two Mini SAS HD (SFF-8643) connectors on the other. This configuration ensures a reliable connection between devices, facilitating high-speed data transfer and optimal performance in demanding storage environments.

Versatile compatibility
With its Serial ATA / SAS interface, this internal cable offers versatile compatibility with a wide range of storage solutions. Whether integrating into an existing setup or building a new one, users can expect seamless integration and improved data handling capabilities.

Main Specifications

Product Description	Broadcom SAS internal cable - 1 m
Type	SAS internal cable
Cable Length	1 m
Connector	Slim SAS (SFF-8654) - male
Connector (Second End)	2 x Mini SAS HD (SFF-8643)

Extended Specification

General

Storage Cable Type	SAS internal cable
Cable Length	1 m

Connectivity

Connector	Slim SAS (SFF-8654) - male
Connector (Second End)	2 x Mini SAS HD (SFF-8643)
