

HP - USB-C power adapter - 140 Watt(B7NK0AA#ABU)

HP - USB-C power adapter - AC - 140 Watt - United Kingdom - black

The HP power adapter provides reliable performance with its 140 watts of power, designed to meet the needs of compatible laptops. This external adapter features a USB-C cable with a length of 1.8 m, making it convenient for charging while on-the-go. It operates efficiently within a temperature range of 0°C to 35°C and can withstand humidity levels from 20% to 95% RH, ensuring durability in various environments. Multiple voltage outputs of 5 V to 28 V make it versatile, accommodating different devices with ease. Certified by several compliance standards, including FCC Class B and UL 62368-1, this power adapter emphasizes safety and reliability. The inclusion of overvoltage protection and Power Delivery (PD) technology enhances its functionality, providing peace of mind during use. Efficiency defines this HP laptop charger, making it an essential accessory for any user.

Key Selling Points

- 140 watts of power for efficient charging
- 1.8 m USB-C cable for added convenience
- Multiple voltage outputs from 5 V to 28 V
- Compliant with various safety standards
- Features overvoltage protection and Power Delivery

Product Features

- Efficient performance**
This power adapter provides a robust 140 watts of power, ensuring that laptops are charged quickly and efficiently, making it ideal for busy users.
- Versatile compatibility**
With voltage options ranging from 5 V to 28 V, this charger is compatible with a wide array of devices, allowing for flexible use in various situations.
- Robust safety certifications**
Meeting several compliance standards such as FCC Class B and UL 62368-1, this adapter offers assurance of quality and safety during operation.
- Reliable operating conditions**
The adapter operates effectively within a temperature range of 0°C to 35°C, along with humidity levels from 20% to 95% RH, ensuring performance in diverse environments.
- Advanced protection features**
Equipped with overvoltage protection and Power Delivery technology, this charger safeguards devices against power surges while facilitating efficient charging.

Main Specifications

Product Description	HP - USB-C power adapter - 140 Watt
Device Type	USB-C power adapter - external
Weight	640 g
Localisation	English / United Kingdom
Input Voltage	AC
Output Voltage	5 / 9 / 12 / 15 / 20 / 28 V
Power Capacity	140 Watt
Colour	Black
Dimensions (WxDxH)	21.5 cm x 7.3 cm x 9.7 cm
Manufacturer Warranty	1-year warranty

Extended Specification

General

Device Type	USB-C power adapter - external
Colour	Black
Localisation	English / United Kingdom

Manufacturer Warranty

Service & Support	Limited warranty - 1 year
-------------------	---------------------------

Miscellaneous

Cables Included	USB-C cable 1.8 m
Features	Over voltage protection, Power Delivery (PD)
Compliant Standards	UL 62368-1, C-UL-US, DENAN, FCC Class B certified, CISPR 32 Class B, CCC, NOM-1-NYCE, NORDICS, MTBF, EN 55032 Class B, EN 55035 Class B, IEC 62368-1

Environmental Parameters

Min Operating Temperature	0 °C
Max Operating Temperature	35 °C
Humidity Range Operating	20 - 95% RH (non-condensing)

Power Device

Input Voltage	AC
Frequency Required	47 - 63 Hz
Output Voltage	5 / 9 / 12 / 15 / 20 / 28 V
Max Electric Current	5 A
Power Capacity	140 Watt

Dimensions & Weight

Width	21.5 cm
Depth	7.3 cm
Height	9.7 cm
Weight	640 g
