

Kensington Contour 2.0 Business - notebook carrying backpack(K60382EU)

Kensington Contour 2.0 Business - Notebook carrying backpack - 15.6"

The Kensington Contour 2.0 Business backpack combines style, comfort, and functionality for professionals on the move. Designed to resist daily wear and tear, it's made from 1680D ballistic polyester. This backpack not only offers RFID protection to secure your electronic data but also has features to protect your belongings from physical damage and the elements. With a generous 27.5-liter capacity, including specific compartments for documents and a tablet, it ensures all your essentials are organized and easily accessible. Comfort is ensured with the padded shoulder straps and top carry handle, making it an ideal choice for daily commutes or business travel.

Key Selling Points

- For 15.6" laptop, 9.7" tablet and multiple files
- Contoured panel shifts weight closer to the center of gravity, with specially positioned pockets distributing weight evenly
- Laptop security compartment with puncture resistant lockable zipper and drop protection
- RFID security pocket prevents cards being scanned
- Water-resistant 1680D ballistic polyester

Product Features

- Enhanced durability**
Crafted from 1680D ballistic polyester, this backpack is designed to withstand the rigors of daily use, ensuring your devices and documents remain safe from wear and tear.
- Optimal organization**
Featuring additional compartments for documents and a tablet, along with a spacious 27.5-liter capacity, this backpack offers ample space to organize your essentials efficiently.
- Superior protection**
Equipped with RFID protection, drop protection, and water-resistant features, the Kensington Contour 2.0 Business backpack safeguards your belongings against electronic theft, impacts, and water damage.
- Comfortable carrying**
Padded shoulder straps and a top carry handle provide multiple comfortable carrying options, making it easier to take your backpack on long commutes or travels.
