

Intel Virtual RAID on CPU RAID 1 Right-To-Use license (RTU) (electronic delivery) (S3Q39AAE)

Intel Virtual RAID on CPU RAID 1 - Right-To-Use license (RTU) (electronic delivery) - 1 licence

The Intel Virtual RAID on CPU RAID 1 license provides a solution for data redundancy and reliability. This Right-To-Use license allows customers to benefit from enhanced RAID configurations with ease. Designed for electronic delivery, it ensures quick access and implementation for performance in data management.

Key Selling Points

Right-to-use license for flexible access
Supports RAID 1 for data redundancy
Delivered electronically for quick setup

Product Features

Data Protection
The RAID 1 configuration reduces the risk of data loss by maintaining a duplicate copy of data, ensuring it remains accessible even in the event of a hardware failure.

License Convenience
Purchase includes 1 license, simplifying management and compliance while granting rights to utilize the software features.

Main Specifications

Product Description	Intel Virtual RAID on CPU RAID 1 Right-To-Use license (RTU) (electronic delivery)
Product Type	Right-To-Use license (RTU) (electronic delivery)
Licence Qty	1 licence

Extended Specification

General

Product Type	Right-To-Use license (RTU) (electronic delivery)
--------------	--

Hardware Licence

Licence Qty	1 licence
