

SonicWall Comprehensive Anti-Spam Service for TZ 500 (01-SSC-0482)

SonicWall Comprehensive Anti-Spam Service for TZ 500 - Subscription licence (1 year) - 1 appliance - for SonicWall TZ500, TZ500 High Availability, TZ500W

Block threats from your email server and stop spam at the gateway, by adding SonicWall Comprehensive Anti-Spam Service (CASS) to your SonicWall firewall. Rapidly deploy your spam firewall software with one-click activation of up to 250 users.

Key Selling Points

Stop spam effectively
Quickly deploy your anti-spam software
Customize to meet your needs

Product Features

Stop spam effectively
Provide 99-percent-effective spam protection - and block spam at the firewall before it enters your network - by adding SonicWall Comprehensive Anti-Spam Service (CASS) to a SonicWall firewall.
Quickly deploy your anti-spam software
Quickly configure CASS in minutes, and activate in one click, creating a single management point for both your network firewall and email firewall security.
Customize to meet your needs
You can easily allow or block junk email from specific people, addresses or organizations, on both a per-user and global basis. Plus, enable users to manage and view text emails, while retaining IT control over summaries and settings, with optional junk box summary emails.
