

Logitech B110 Silent (910-005508)

Logitech B110 Silent - Mouse - right and left-handed - optical - 3 buttons - wired - USB

Get all your work done without missing a beat or disturbing those around you. Silent Mice have the same click feel almost without the click noise. A smooth scroll wheel completes the silent experience. Silent Mice eliminate excess noise while protecting the health and productivity of everyone. Make this your last annoying click. Your coworkers and friends will thank you.

Key Selling Points

Noise reduction
Simple to set up and use
Full-size comfort, ambidextrous design
Better than a trackpad

Product Features

Noise reduction
With the same click feel and noise reduction on the click sound, enjoy a quiet experience for you and your colleagues. Plus, it has feet made of high-performance material and a rubber wheel for quiet gliding and scrolling.

Simple to set up and use
The mouse works right out of the box. No installation hassles. No software required. Setup is fast and easy - just plug the cable into a USB port and you're good to go.

Full-size comfort, ambidextrous design
Left-handed or right, you'll be comfortable hour after hour with this full-size, ambidextrous design. The curved surface was designed to support your fingers just right in order to prevent fatigue.

Better than a trackpad
Be in control with smooth, responsive optical tracking that moves the cursor just where you want it. Edit documents and navigate the Web more efficiently than with a trackpad.

Main Specifications
