

Logitech M196 (910-007459)

Logitech M196 - Mouse - right and left-handed - optical - 3 buttons - wireless - Bluetooth - graphite

Discover the Logitech M196, a wireless mouse designed to deliver performance and sustainability. With its Bluetooth connectivity, this mouse offers the convenience of wireless operation and easy pairing with your devices. The 1000 DPI optical sensor ensures precise tracking, making it suitable for a variety of tasks, from browsing the web to detailed graphic design work. Designed with ergonomics in mind, the M196 is compatible with both right- and left-handed users, providing comfort during extended use. Its construction from recycled post-consumer plastic not only makes it durable but also environmentally friendly. The inclusion of a 2D scroll-wheel enhances your navigation experience, allowing for easy scrolling through documents and web pages. The Logitech M196 stands out with its energy-efficient design, featuring an on/off power switch to conserve battery life and Bluetooth Low Energy compatibility. It comes with a AA battery, ensuring that you can start using it right out of the box. Whether for work or play, this mouse is designed to meet the needs of modern, eco-conscious consumers looking for reliability and sustainability.

Key Selling Points

- Wireless connectivity with Bluetooth technology for easy pairing
- 1000 DPI optical sensor for precise movement tracking
- Compatible with both right- and left-handed users, ensuring ergonomic comfort
- Made of recycled post-consumer plastic, promoting environmental sustainability
- Includes an on/off power switch to conserve battery life

Product Features

- Eco-friendly design**  
Crafted from recycled post-consumer plastic, this mouse not only performs well but also supports environmental sustainability. Its durable plastic construction ensures long-lasting use, making it a smart choice for eco-conscious consumers.
- Versatile connectivity**  
Equipped with Bluetooth technology, this mouse offers seamless connectivity to a wide range of devices without the need for cables. Its compatibility with Bluetooth Low Energy ensures a stable connection while conserving battery life.
- Optimized for comfort**  
Designed for both right- and left-handed users, this mouse provides an ergonomic experience that reduces wrist strain during prolonged use. The inclusion of a 2D scroll-wheel enhances navigation, making it easier to scroll through documents and web pages.
- Precision tracking**  
With a movement resolution of 1000 DPI, this mouse delivers precise tracking and smooth cursor movement on various surfaces. The optical movement detection technology ensures accuracy for both work and play.
- Wireless freedom**  
Enjoy the freedom of wireless connectivity with a maximum operating distance of 10 m. The on/off power switch helps conserve battery life, ensuring that the mouse is ready when you are.
