

Logitech Signature M650 L for Business (910-006348)

Logitech Signature M650 L for Business - Mouse - right-handed - 5 buttons - wireless - 2.4 GHz, Bluetooth - Logitech Logi Bolt USB receiver - graphite

The Signature M650 L for Business is an easy-to-deploy mouse that improves productivity 50% vs laptop touchpads. Bluetooth Low Energy Security Mode, Level 4 protection when paired with a Logi Bolt USB receiver. Or connect via Bluetooth Low Energy when cross-platform flexibility matters. Get line-by-line precision for documents - and super-fast scrolling for long web pages. Switch modes with a flick of the SmartWheel. It's also 90% less "clicky" thanks to SilentTouch technology. In two sizes for small or large hands, and a contoured shape and soft thumb area for comfort.

Key Selling Points

Work smarter
Enterprise secure
Increase productivity
Size and comfort
Works on multiple platforms

Product Features

Work smarter
The ideal wireless mouse for heavy laptop users to improve employee experience and productivity over a laptop trackpad.

Enterprise secure
Logi Bolt wireless technology designed to meet rising enterprise security concerns with fully encrypted, Secured Connections Only mode security.

Increase productivity
People are 50% more productive and work 30% faster using a mouse vs a laptop touchpad¹ It's an easy way for IT to improve productivity.

Size and comfort
Mouse users have 25% less forearm muscle activity than laptop touchpad users. That's less fatigue and more comfort. Comes in two sizes for smaller or larger hands, too.

Works on multiple platforms
Seamless compatibility with Windows, macOS, Linux, Chrome OS, iPad OS, and Android operating systems.
