Logitech M190 is a full-size wireless mouse with a comfortable contoured design that follows the natural curve of medium to large hands.

Key Selling Points

- Lag-free wireless
- Full comfort
- Precise tracking
- Plug & play
- Compact or full-size

Product Features

Lag-free wireless

Work wirelessly and move freely - from up to 10 meters away - with virtually no delays or dropouts. No cable means no clutter on your desk - and easy transport from one workspace to another.

Full comfort

Optimal comfort for your right or left hand with a contoured shape designed to follow the natural curve of larger hands. Specially scooped buttons guide your fingers into ideal placement, while additional palm support provides all-day comfort.

Precise tracking

Navigate more easily thanks to a controlled line-by-line scrolling experience. The optical sensor gives you smooth and accurate cursor control on almost any surface.

Plug & play

Works right out of the box - just plug in the USB receiver and you're good to go.

Compact or full-size

Choose the right size for you. M190 is specifically contoured for mid to large hands, ideal for use at your desk. For a more compact, portable design that's easy to transport, check out M185.
