

Vogel's Professional Connect-it PUC 2715 mounting component (7227150)

Vogel's Professional Connect-it PUC 2715 - Mounting component (pole) - for flat panel - black

Vogel's Professional Connect-it, model PUC 2715, is tailored for flat panel displays. This mounting component is engineered to streamline the setup and enhance the aesthetic of any professional environment. The inclusion of the Cable Inlay System (CIS) ensures that cable management is efficient and visually appealing, eliminating the clutter of wires and cables. Furthermore, its robust construction and compatibility with the Connect-it series make it a suitable choice for a wide range of professional applications, offering reliability and versatility in display mounting solutions.

Key Selling Points

- Multiple cable management
- Multiple display mounting
- Designed to be used with all connect-it accessories

Product Features

- Efficient cable management  
The Cable Inlay System (CIS) provides an efficient solution for managing and concealing cables, ensuring a clean and organized appearance for any setup.
- Versatile mounting options  
Designed specifically for flat panel displays, the PUC 2715 offers versatile mounting options, allowing for an optimal viewing experience in professional environments.
