

Vogels Connect-It PFB 3407 B (7234070)

Vogel's Connect-It PFB 3407 - Mounting component (interface plate) - for flat panel - aluminium - black

The PFB 3407 interface bar is a part of the modular Connect-it system with which you can create your own ceiling solution for medium- to large-sized displays.

Key Selling Points

- Aluminum construction for enhanced durability
- Supports a wide range of mounting patterns
- Designed for optimal flat panel display stability

Product Features

- Robust construction**
Crafted from high-quality aluminum, the Vogel's Connect-It PFB 3407 mounting component ensures durability and stability for your flat panel display. Its sturdy build provides a reliable foundation, making it an ideal choice for securing your device.
- Versatile mounting**
The Vogel's Connect-It PFB 3407 comes equipped with an interface plate that supports a wide range of mounting patterns, accommodating horizontal patterns up to 650 mm and vertical patterns up to 75 mm. This flexibility allows for easy installation and compatibility with various flat panel sizes.
