

Microsoft Windows Server 2025 Essentials (S6L39A)

Microsoft Windows Server 2025 Essentials - Licence-To-Use - 10 cores - ROK - Worldwide

Hewlett Packard Enterprise presents Microsoft Windows Server 2025 Essentials, designed for small to medium-sized businesses looking for a reliable server solution. This product offers an efficient way to manage workloads and enhance productivity with its simple and intuitive interface. The software provides a license for 10 cores, making it an ideal choice for those needing support in a growing digital environment. With a Licensing Program through Reseller Option Kit (ROK), customers can seamlessly integrate this solution into their existing infrastructures. Windows Server 2025 Essentials supports essential operations and ensures that businesses can easily transition to a server environment designed to scale with their needs.

Key Selling Points
