

Microsoft Windows Server 2022 Datacenter (P71-09463)

Microsoft Windows Server 2022 Datacenter - Licence - 16 additional cores - OEM - no media/no key - English

Windows Server 2022 introduces advanced multi-layer security, hybrid capabilities with Azure, and a flexible application platform. As part of this release, Microsoft Windows is bringing secured-core capabilities to help protect hardware, firmware, and Windows Server OS capabilities against advanced security threats. Secured-core server builds on technologies such as Windows Defender System Guard and Virtualization-based Security to minimize risk from firmware vulnerabilities and advanced malware. The release also provides secured connectivity that introduces several capabilities such as faster and more secure encrypted HTTPS connections, industry standard SMB AES 256 encryption and more.

Key Selling Points

- Advanced security features for comprehensive protection
- Seamless integration with Microsoft software ecosystem
- Optimized for high-performance computing environments
- License flexibility to suit various deployment sizes
- Continuous updates and support from Microsoft

Product Features

- Enhanced security**
Microsoft Windows Server 2022 Datacenter introduces advanced security measures designed to protect against evolving threats, ensuring your data and infrastructure are safeguarded.
- Seamless integration**
With its compatibility with the Microsoft family, especially MS Windows Server, this version ensures a smooth integration process, enhancing operational efficiency and reducing downtime.
- Robust performance**
Designed to handle demanding datacenter environments, Microsoft Windows Server 2022 Datacenter provides robust performance capabilities, supporting high workloads and complex operations with ease.

Main Specifications

Product Description	Microsoft Windows Server 2022 Datacenter - licence - 16 additional cores
Operating System	Microsoft Windows Server 2022 Datacenter - no media/no key
Product Type	Licence
Licence Type	16 additional cores
Licence Pricing	OEM
Language	English

Extended Specification

General

Operating System	Microsoft Windows Server 2022 Datacenter - no media/no key
Product Type	Licence
Language	English

Licencing

Licence Type	16 additional cores
Licence Pricing	OEM
