DICOTA - Notebook privacy filter - 2-way - removable - magnetic - 13.5" - black - for Microsoft Surface Book 2 (13.5 in), Book 3 (13.5 in), Book 3 for Business (13.5 in)

The DICOTA notebook privacy filter offers protection for your screen while ensuring visual clarity. Designed for 13.5" displays, this filter features a removable magnetic installation for convenience. With 2-way privacy protection, it safeguards your information from prying eyes, making it ideal for use in public spaces. Moreover, the filter is made with anti-reflective PET material that reduces glare while maintaining a clear view. Its compatibility with touch screens enhances usability, while the fingerprint protection feature helps keep the surface clean. With a +/- 30° visible angle and 43% blue light reduction, this privacy filter provides comfort and safety for extended usage.

Key Selling Points

- Offers 2-way privacy protection
- Designed for 13.5-inch displays
- Magnetic installation for easy removal
- Anti-reflective and touch screen compatible
- Reduces blue light exposure by 43%

Product Features

- Effective privacy protection**
The privacy filter provides 2-way privacy protection, preventing onlookers from viewing your screen from the sides, which is essential for maintaining confidentiality in crowded or public environments.
- Convenient installation**
This filter features a magnetic installation that allows for easy application and removal, enabling users to switch between privacy and openness whenever needed.
- Anti-reflective surface**
The anti-reflective coating minimizes glare from external light sources, improving visibility and reducing eye strain during long sessions in front of the screen.
- Advanced blue light reduction**
With a 43% reduction in blue light exposure, this privacy filter helps in alleviating fatigue associated with prolonged screen time, promoting better eye health.
- Durable fingerprint protection**
The PET material ensures a clear view while also providing fingerprint protection, keeping the filter clean and maintaining its visual quality over time.
