

HPE 2SFF Storage Controller Cable Kit (P72000-B21)

HPE 2SFF Storage Controller Cable Kit - Storage cable kit

The HPE 2SFF Storage Controller Cable Kit provides reliable connectivity for storage applications, ensuring smooth data flow and performance. This cable kit supports various storage solutions, making it a vital component in any storage system setup. Experience fast data transfer speeds and connectivity that support your infrastructure's needs.

Key Selling Points

- Designed for reliable connectivity
- Supports various storage solutions
- Enhances data transfer speeds

Product Features

- Reliable storage connectivity
The storage cable kit ensures consistent and stable connections between storage devices and controllers, minimizing disruption and optimizing performance.
- Efficient data transfer
Specially designed to facilitate high-speed data transfer, this cable kit effectively handles the demands of various storage environments.

Main specifications

Product Description	HPE 2SFF Storage Controller Cable Kit - storage cable kit
Type	Storage cable kit

Extended specification

General

Storage Cable Type	Storage cable kit
Width	27.3 cm
Depth	21.3 cm
Height	2 cm
Weight	60 g
