

Ergotron HX Triple Monitor Bow Kit (98-009-216)

Ergotron HX Triple Monitor Bow Kit - Mounting component (handle, 3 pivots, hinge) for 3 monitors - white - screen size: up to 24"

The HX Triple Monitor Bow Kit upgrades an HX arm to hold three monitors and includes a handle for easy positioning. It's the perfect accessory to expand your view across multiple screens while taking advantage of the HX arm's adjustment capabilities.

Key Selling Points

- Increases viewing comfort: Helps reduce eye, back and neck strain
- The hinged bow allows monitors to pan outward independently, ideal for sharing screens
- Optimize the viewing parabola for enhanced ergonomic comfort by rotating monitors inward using the hinged bow
- Independent, quick release monitor pivots with effortless P/L, pan, and tilt for custom positioning of each monitor

Product Features

- Versatile adjustments
The Ergotron HX mounting component offers comprehensive adjustments including pan, rotation, and tilt, enabling users to find the perfect viewing angle for comfort and productivity. With a tilt range of -5° to 70°, 360° rotation, and 180° pan capability, it ensures optimal positioning of up to three LCD displays.
- Efficient cable management
Featuring integrated cable management, this mounting component keeps cables neatly organized and out of sight, contributing to a cleaner and more efficient workspace. The design enhances the overall aesthetic and functionality of the work area.
- Robust compatibility
Designed to support LCD displays up to 24 inches or 61 cm, the Ergotron HX arm mountable component is compatible with flat panel mount interfaces of 100 x 100 mm and 75 x 75 mm, accommodating a wide range of display sizes and brands.
- Secure and stable
Capable of supporting a weight range from 2.7 kg to 13.9 kg, this mounting component ensures your displays are securely held in place, whether in landscape or portrait orientation, providing peace of mind and enhanced viewing security.

Main specifications

Product Description	Ergotron HX mounting component - for 3 LCD displays - white
Product Type	Mounting component - arm mountable
Mounting Components	Handle, 3 pivots, triple hinged bow
Tilt	-5° to 70°
Pan	180°
Rotation	360°
Adjustments	Pan, tilt, rotation
Weight	6.2 kg
Recommended Use	3 LCD displays
Recommended Display Size	Up to 24"
VESA Mounting Interface	100 x 100 mm, 75 x 75 mm
Max Load Weight	13.9 kg
Colour	White
Manufacturer Warranty	10 years warranty
Designed For	P/N: 45-475-216
