

Beats (MHR34LL/A)

Beats - Protective cover for mobile phone - MagSafe compatibility - polycarbonate - bedrock blue - for iPhone 17e

The Apple Beats carrying case offers a protective cover designed for cell phones. It features a hardshell back and shock absorbing sidewalls, providing effective drop and scratch protection for your device. The case is crafted from durable polycarbonate with a soft microfiber lining that adds an extra layer of protection and comfort. Built-in magnets enhance the functionality of the case, making it easy to attach and detach your phone while ensuring a secure fit. With wireless charging support and MagSafe compatibility, this case combines practicality and style.

Key Selling Points

- Protective cover designed for cell phones
- Built-in magnets for secure attachment
- Shock absorbing sidewalls for added security
- Wireless charging support and MagSafe compatibility
- Matte finish for a sleek appearance

Product Features

- Durable construction
The protective cover is made from polycarbonate, ensuring it can withstand daily wear and tear while maintaining its structural integrity.
- Soft microfiber lining
The interior of the case features a soft microfiber lining that helps prevent scratches on the phone's surface.
- Enhanced protection
This case provides both scratch and drop protection, giving users peace of mind that their device is safeguarded against accidents.
- Supports wireless charging
Designed with functionality in mind, this case allows for wireless charging without needing to remove the cover.
- MagSafe compatibility
The case is compatible with MagSafe accessories, making it a versatile option for users looking to enhance their phone's functionality.
