

Logitech Base Bundle (991-000401)

Logitech Base Bundle - Video conferencing kit (Logitech Tap IP, Logitech RoomMate) - Zoom Certified, Certified for Microsoft Teams - power adapter included

Add RoomMate to an existing Logitech MeetUp, Rally, or Rally Plus camera and turn any space into an appliance-based video conferencing room, with a compact form factor that can be mounted out of sight and out of harm's way. Configure the room for leading video conferencing platforms, including Microsoft Teams Rooms on Android, Zoom Rooms, RingCentral, and others. Add to an existing Logitech MeetUp, Rally, or Rally Plus camera to create a complete appliance room solution.

Key Selling Points

- Power, with connections
- Start meetings with a tap
- Verified audio partners
- Flexible mounting
- Device management and insights
- Clean and secure cabling

Product Features

- Power, with connections
With its sleek, low-profile form factor, Logitech RoomMate delivers all the processing power you need for HD video conferencing in rooms with one or two displays.
- Start meetings with a tap
Meetings begin with just one touch with Logitech Tap IP, a network- connected touch controller that's easy to use and simple to set up.
- Verified audio partners
Use the audio system of your choice. Default to the conference camera's audio when you pair RoomMate with MeetUp or a Rally system.
- Flexible mounting
Attach Logitech RoomMate anywhere in your meeting space using Compute Mount with cable retention and a hideaway design for a tidy installation.
- Device management and insights
Monitor, manage, and get business insights into how your rooms are being used with Logitech Sync. Monitor and manage your meeting room devices from the Zoom Device Manager.
- Clean and secure cabling
Streamline setup for Logitech Tap IP with a single PoE cable, and keep connections tight with built-in strain relief and retention mechanisms.
