

Logitech Wall Mount For Video Bars (952-000044)

Logitech Wall Mount For Video Bars - Camera mount - cart mountable, wall mountable - for Rally Bar; Room Solution Large

Wall Mount for Video Bars saves space and clears the credenza by mounting Rally Bar or Rally Bar Mini to a wall or mobile cart. With an industry-standard VESA mounting pattern (200 x 50mm), Wall Mount is equally at home on mobile carts for ultimate versatility. A 10° video bar tilt down adapter is included to ensure an optimal angle for higher mounting positions. Whether mounted above the display or below, the Wall Mount works with your video bar's built-in cable retention cover so cables can run up or down the wall and stay securely connected. Compatible devices: Video Bars: Rally Bar, Rally Bar Mini; Mobile Carts: With VESA (200 x 50mm).

Key Selling Points

- Flexible mounting options including cart mountable and wall-mountable
- Includes screws and a tilt down adapter for easy installation
- Compatible with VESA 200 x 50 mm mounting systems

Product Features

- Versatile placement**  
Designed for flexibility, this Logitech Wall Mount for Video Bars can be easily mounted on a cart or secured to a wall, ensuring optimal positioning for video conferencing in any room.
- Easy installation**  
Comes complete with screws and a tilt down adapter, making the setup process straightforward and hassle-free. The inclusion of a VESA 200 x 50 mm feature ensures compatibility with standard mounting systems.
