

Neomounts HDMI6MM HDMI cable (HDMI6MM)

Neomounts - HDMI cable - HDMI male to HDMI male - 2 m - black

This Neomounts high-quality 1.8-meter HDMI cable, model HDMI6MM, features 2 HDMI male connectors, providing a direct link between HDMI devices such as Blu-Ray players, HDTVs, DVD Players, stereo receivers and more. Neomounts HDMI digital video cables are expertly designed and constructed of only top quality materials to ensure high-quality, high-definition performance. The HDMI standard combines high bandwidth video and multi-channel digital audio into a single cable, and provides crystal-clear image resolution. HDMI cables are HDMI specification 1.4-compliant, which fully supports 1080p+ resolutions at up to 120Hz refresh rate with life-like color. Plus, HDMI cables can support bandwidth up to 340MHz (10.2Gbps) and display resolutions of up to 1440p, to support the demands of future high definition devices, such as increased resolutions and higher frame rates.

Key Selling Points

- High Speed HDMI cable supports all your AV needs
- Dual male connectors for a secure and stable connection
- Designed for durability with robust 19-pin HDMI Type-A connectors
- Seamless transmission of video and audio signals

Product Features

- High speed connectivity
Experience seamless video and audio transmission with the Neomounts HDMI cable, designed for high-speed performance. This cable ensures that your visual and audio experience is smooth, without any lag or interruption, making it suitable for gaming, streaming, or any high-definition content.
- Durable design
Crafted with durability in mind, the Neomounts HDMI cable features robust connectors on both ends. The 19-pin HDMI Type-A male connectors are designed to withstand frequent plugging and unplugging, ensuring a secure connection every time. This makes the cable not only reliable but also a durable solution for your AV needs.
