

Ergotron (33-334-085)

Ergotron Neo-Flex Notebook Lift Stand - Notebook stand - black

This stand's six-inch (15 cm) motion range offers true ergonomic adjustment - lift and tilt a laptop's screen to eye-level and increase comfort and productivity.

Key Selling Points

Just add an external keyboard and get the comfort of a full desktop computer system with notebook portability
Smooth one-step lift and tilt functionality promotes true ergonomic viewing
Create a productive dual-display configuration by placing your notebook's screen alongside an LCD
Vented platform allows for cooling air flow
Integrated base rollers enable 360° rotation of the stand so you can share your views with others
Make group-viewing of family photos or the Internet more enjoyable and easy
Superior technical design enables use with or without a port replicator
Easy to use - simple installation and effortless operation
