

CareFit Combo System with Worksurface, Snow (45-619-251)

Carefit Combo System With Worksurface, Snow

The modular CareFit Combo wall mount with covered Wall Track mounting system supports nurse-patient connections, caregiver comfort and uptime by enabling efficient documentation at the point of care. It's easy to reposition and store, offers an area for supplies or a full worksurface, and enhances healing spaces with clean lines and hidden cables.

Key Selling Points

- Adjustable lift, pan, rotation, and tilt for ergonomic positioning
- Integrated cable management for a clutter-free workspace
- Supports LCD displays up to 27 inches and 10.7 kg
- Modular design crafted from durable aluminum and plastic
- Includes comprehensive mounting hardware for easy setup

Product Features

- Versatile adjustments**
With lift, pan, rotation, and tilt capabilities, the Ergotron CareFit Combo System offers flexibility. Adjust your LCD display and keyboard to the perfect position for ergonomic comfort and productivity.
- Comprehensive cable management**
The integrated cable management system keeps your workspace tidy and free from cable clutter, enhancing your work environment and focus.
- Durable construction**
Crafted from high-quality aluminum and plastic, this mounting kit is designed for longevity and reliability, supporting devices up to 10.7 kg.
- Easy installation**
The modular design and included mounting hardware make setting up your ergonomic workstation straightforward, with everything you need for a wall-mounted configuration.
