

Jabra Evolve 65 TE Stereo (6699-833-399)

Jabra Evolve 65 TE Stereo - Headset - on-ear - Bluetooth - wireless - USB-A via Bluetooth adapter - noise isolating - Certified for Microsoft Teams

The Jabra Evolve 65 TE Stereo headset is designed for professionals who demand high sound quality, flexibility, and comfort. With its Bluetooth 5.2 technology, this wireless headset offers a reliable connection up to 30 m away from your device, enabling freedom of movement and multitasking. The ability to connect to two devices simultaneously enhances productivity, allowing seamless switching between tasks. Audio quality is paramount, with a wide frequency response ensuring both music and voice are delivered with high fidelity. The headset's omnidirectional microphone captures your voice clearly while minimizing background noise, making it ideal for conference calls and voice commands. Comfort is not overlooked, thanks to its lightweight design, soft leatherette ear cushions, and adjustable headband, ensuring comfort throughout the workday. Additionally, features like a busy light, Jabra Direct, and Jabra Xpress facilitate a focused work environment by minimizing interruptions and simplifying device management. With up to 15 days of standby time, the Jabra Evolve 65 TE Stereo is ready when you are, making it the perfect choice for professionals looking to enhance their audio experience and productivity.

Key Selling Points

- Wireless technology with Bluetooth 5.2 for freedom of movement up to 30 m
- Dual connectivity allows pairing with two Bluetooth devices simultaneously
- Up to 15 days of standby time with a rechargeable lithium-ion battery
- Busy light indicator to signal when engaged in calls
- SafeTone technology for hearing protection

Product Features

- Exceptional audio quality**
Experience crystal-clear sound with a frequency response of 20 - 20,000 Hz for both multimedia and communication. The Jabra Evolve 65 TE Stereo ensures every note and word is heard with pristine clarity.
- Advanced connectivity**
Equipped with Bluetooth 5.2 technology and the ability to connect to two devices simultaneously, this headset offers seamless integration with your computer and another Bluetooth-enabled device for uninterrupted communication.
- Comfortable design**
Designed for extended wear, the on-ear headphones feature soft, leatherette ear cushions and a lightweight, stainless-steel headband, providing comfort without sacrificing durability.
- Enhanced productivity**
With features like a busy light, Jabra Direct, and Jabra Xpress, the Jabra Evolve 65 TE Stereo headset is engineered to boost your productivity by minimizing interruptions and streamlining device management.
- Superior call clarity**
The omnidirectional, boom-mounted microphone with a frequency response of 100 - 7000 Hz ensures your voice is transmitted clearly, while background noise is minimized, making it perfect for conference calls and voice commands.
