

Neomounts DS75-450BL2 Monitor arm 17-32" (DS75-450BL2)

Neomounts by Newstar Screen Desk Mount 2 screens(topfix clamp &grommet)

The Neomounts DS75-450BL2 NEXT Core is a full-motion desk mount for two flat screens up to 32" with a maximum weight capacity of 8 kg per screen. The versatile tilt (20°), rotate (360°) and swivel (20°) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of the screens. Additionally, the mount has gas spring height adjustment and depth adjustment, to create the perfect working position. The DS75-450BL2 NEXT Core features the nifty 180° stop mechanism that allows you to safely adjust the mount even when it's placed close to a wall or separation panel without making contact with the wall. The smart cable management system ensures orderly routing of the cables. The DS75-450BL2 is suitable for screens that meet VESA hole pattern 75x75 or 100x100 mm. Unused hole patterns can be covered using one of Neomounts VESA adapter plates. The desk mount is equipped with a quick-release VESA system and comes with both a topfix clamp and grommet for quick and easy installation.

Key Selling Points

Full-motion design allows for depth, height, rotation, swivel, tilt, and width adjustments
Supports two LCD displays from 17" to 32", accommodating a wide range of sizes
Integrated cable management for a clean and organized workspace
Includes articulating arm, grommet clamp, and topfix clamp for versatile mounting options
Gas spring lift mechanism for effortless positioning

Product Features

Versatile adjustments

Offering depth, height, rotation, swivel, tilt, and width adjustments, the DS75-450BL2 provides flexibility. This full-motion design ensures optimal viewing angles and ergonomic positioning for 2 LCD displays, enhancing productivity and comfort.

Effortless cable management

With integrated cable management, this mounting kit keeps cables neatly organized, ensuring a tidy and clutter-free workspace. The design not only enhances the aesthetic appeal of your setup but also simplifies maintenance and setup changes.

Robust and reliable

Designed to support LCD displays ranging from 17" to 32" and capable of handling weights from 1 kg to 8 kg, the DS75-450BL2 is built for durability. The inclusion of a gas spring lift mechanism allows for easy adjustment, ensuring a perfect view without the hassle.
