

Beats Powerbeats Fit (ME2L4ZM/A)

Beats Powerbeats Fit - True wireless earphones with mic - in-ear - Bluetooth - active noise cancelling - power pink

The Beats Powerbeats Fit combines wireless freedom with premium sound quality. Featuring Active Noise Canceling technology, these true wireless earphones allow for an immersive listening experience, perfect for portable electronics like iPhones, iPads, and Macs. The built-in microphone and support for Siri provide convenience in hands-free calling and voice commands. Designed for a secure fit, the Powerbeats Fit earbuds are ideal for workouts and outdoor activities. The incorporation of Fast Fuel technology ensures that users can quickly recharge and enjoy extended usage with the included charging case, making them a reliable choice for on-the-go lifestyles.

Key Selling Points

- True wireless design for full mobility
- Active Noise Canceling enhances audio immersion
- Fast Fuel technology allows quick charging
- Siri integration provides hands-free control
- Sweat and water resistance for durability

Product Features

- Audio quality**
Featuring stereo sound output, the Beats Powerbeats Fit delivers rich and immersive audio, enhancing your listening experience whether on the go or at home.
- Secure fit**
These in-ear headphones are designed for a secure fit, allowing for extended wear during any activity without compromising comfort.
- Connectivity**
Using Bluetooth wireless technology, these earphones seamlessly connect to various devices, ensuring hassle-free operation.
- IPX4 compliance**
With IPX4 protection, the Powerbeats Fit is resistant to sweat and water, making them suitable for exercise and outdoor usage.
- Battery life**
Equipped with a rechargeable lithium-ion battery, these earphones offer impressive run time when used with the included charging case, ensuring they are ready whenever needed.
