

Dell Pro Plus SL525 (SL525-EMEA)

Dell Pro Plus SL525 - Speakerphone hands-free - Bluetooth - wireless, wired - active noise cancelling - USB-C - Certified for Microsoft Teams, Zoom Certified

The Dell Pro Plus SL525 is a versatile speakerphone designed for optimal communication in various settings. With extensive audio capabilities, its omnidirectional microphone features AI noise cancelling technology, ensuring clear voice quality even in noisy environments. The device supports both wired and wireless connectivity options, allowing seamless integration with PCs and mobile devices, as well as the convenience of a USB-C connection for easy setup. Featuring a robust battery capacity and rapid recharge time, this speakerphone keeps conversations flowing without interruption. Equipped with practical controls for volume adjustment and call management, the SL525 enhances productivity during digital meetings. Its compatibility with platforms like Microsoft Teams and Zoom further emphasizes its utility for professional contexts. Designed for comfort and ease of use, this dynamic speakerphone stands out as a reliable companion for business communications.

Key Selling Points

- Omnidirectional microphone with AI noise cancelling technology
- Supports wired and wireless connectivity including Bluetooth 5.3
- Simple controls for volume adjustment and call management
- Compatible with Microsoft Teams and Zoom certifications
- Long-lasting battery with quick recharge capability

Product Features

- Microphone technology**
The SL525 utilizes a digital MEMS microphone in an omnidirectional operation mode, capturing sound from all directions for an engaging audio experience while minimizing background noise.
- Connectivity options**
Supporting both wireless via Bluetooth and wired USB-C connections, the device can link to multiple devices simultaneously, providing flexibility for various working styles.
- Audio output**
With a sound output mode of mono and a frequency response range of 90 - 20,000 Hz, the speakerphone delivers clear and recognizable audio for effective communication.
- Battery performance**
Featuring a 3200 mAh rechargeable battery, the SL525 allows for extended use, with a recharge time of only 2.5 hours, keeping users connected without frequent interruptions.
- Standards compliance**
Compliant with Plug-and-Play standards and offering IP64 protection, this speakerphone meets the demands of business environments, ensuring durability and reliability.

Main specifications

Product Description	Dell Pro Plus SL525 - speakerphone - USB-C - Microsoft Teams Certified - Zoom Certified
Product Type	Speakerphone - Bluetooth - wireless, wired - USB-C
Connectivity Technology	Wireless, wired
Wireless Technology	Bluetooth
Bluetooth Version	Bluetooth 5.3
Sound Output Mode	Mono
Audio Specifications	Frequency Response 90 - 20000 Hz
Diaphragm Type	Dynamic driver
Active Noise Canceling	Yes
Microphone Operation Mode	Omni-directional, digital MEMS
Microphone Noise Cancelling	Yes
Microphones Included	4
Controls	Mute, answer/end, answer call, volume control, Microsoft Teams button
Software Certification	Certified for Microsoft Teams, Zoom Certified
Manufacturer Warranty	3-year warranty

Extended specification

Miscellaneous

Included Accessories	Travel pouch, USB-C to USB-A adapter, wireless audio receiver
Cable Details	USB-C host cable - 75 cm
Supported Host Device OS	Windows 10 (64-bit), Windows 11 (64-bit), Chrome OS, Linux, macOS
Software Certification	Certified for Microsoft Teams, Zoom Certified
Compliant Standards	Plug and Play

Audio Output

Connectivity Technology	Wireless, wired
Wireless Technology	Bluetooth
Bluetooth Version	Bluetooth 5.3
Sound Output Mode	Mono
Active Noise Canceling	Yes
Active Noise Cancelling Technology	Artificial Intelligence Noise Cancellation
Frequency Response	90 - 20000 Hz
Max Sound Pressure	86 dB
Diaphragm	Dynamic driver - 60 mm
Simultaneously Connectable Devices Qty	2

General

Product Type	Speakerphone - Bluetooth - wireless, wired - USB-C
Width	12.5 cm
Depth	12.5 cm
Height	3.9 cm
Weight	355 g
Protection	IP64
Max Operating Distance	30 m

Microphone

Microphone Operation Mode	Omni-directional, digital MEMS
Microphones Included	4
Frequency Response	100 - 14000 Hz
Noise Cancelling	Yes
Noise Cancelling Technology	AI noise cancelling

Manufacturer Warranty

Service & Support	Limited warranty - 3 years
-------------------	----------------------------

Power

Battery	Rechargeable
Capacity	3200 mAh
Run Time (Up To)	12 hours
Recharge Time	2.5 hours

Remote Control

Controls	Mute, answer/end, answer call, volume control, Microsoft Teams button
----------	---

What's in the box

Dell Pro Plus SL525

Wireless audio receiver, travel pouch, USB-C to USB-A adapter
