Get uninterrupted productivity with a rechargeable mouse that offers up to six months of battery life on a full charge. Connect up to three devices and recharge in just two minutes for a full day's work.

Key Selling Points

Get uninterrupted productivity with a rechargeable mouse that offers up to six months battery life on a full charge. Connect up to three devices and recharge in just two minutes for a full day's work.

Product Features

- Always ready**
Enjoy a hassle-free six-month long battery life when you charge it fully in just three hours. A quick two-minute charge via the included USB-C cable will guarantee you a day's work of uninterrupted performance.
- Seamless connectivity**
Connect and switch effortlessly across three devices with the dual-mode RF 2.4GHz wireless and Bluetooth connectivity.
- Thoughtful design**
Never lose the universal pairing receiver thanks to the dedicated dongle slot which allows you to conveniently keep it within the mouse when not in use.
- Precise tracking**
Sculpted with a patterned grip, this little wonder offers 4000 DPI, adjustable via DPM to three other preset DPIs at 1000, 1600 and 2400. Navigate with ease across ultra-wide and high-resolution displays and multi-monitor setups.
