

Apple (MYYD3ZM/A)

Apple - Back cover for mobile phone - MagSafe compatibility - silicone - plum - for iPhone 16 Plus

The protective cover from Apple is designed for cell phones, ensuring complete drop and scratch protection. Made from 55% recycled silicone, this case aligns with eco-friendly principles, while its soft-touch surface provides a comfortable grip. Featuring built-in magnets for easy attachment, this case supports both Qi and Qi 2 wireless charging standards, enhancing convenience for users who prefer wireless power options. With its soft microfiber lining, the case protects the phone from scratches and provides added protection against everyday impacts. The MagSafe compatibility allows for seamless integration with other MagSafe accessories, making it a versatile choice for those looking to enhance their mobile experience.

Key Selling Points

- Made from 55% recycled silicone for an eco-conscious choice
- Soft microfiber lining provides additional scratch protection
- Supports Qi and Qi 2 wireless charging for convenience
- Built-in magnets for easy attachment and stable connectivity
- Soft-touch surface offers a comfortable grip

Product Features

- Durable protection

The protective cover is designed to guard against drops and scratches, ensuring the longevity of the device.
- Eco-friendly materials

Constructed with 55% recycled silicone, this case highlights a commitment to sustainability.
- Convenient wireless charging

Compatible with Qi and Qi 2 wireless charging standards, allowing hassle-free charging without removing the case.
- Soft-touch exterior

Features a soft-touch surface that enhances grip and prevents slipping from hands or surfaces.
- Magnetic attachment

Equipped with built-in magnets for secure placement and easy alignment with MagSafe accessories.
