

Apple (MGEX4ZM/A)

Apple - Protective cover for mobile phone - MagSafe compatibility - silicone - light moss - for iPhone 17

The Apple protective cover is designed for cell phones, providing a perfect fit and protection. Crafted from recycled silicone, this back cover features a soft-touch finish that ensures a comfortable grip while maintaining a stylish appearance. With drop protection and scratch protection, the cover helps keep devices safe from daily wear and tear. Built-in magnets provide compatibility for wireless charging, making it simple to power up your device using Qi or Qi2 standards. Additionally, the soft microfiber lining adds an extra layer of security, and the case supports camera control and Apple cross body strap compatibility for versatile use.

Key Selling Points

- Made from recycled silicone for an eco-friendly choice
- Soft-touch material for a comfortable grip
- Built-in magnets for seamless wireless charging
- Drop and scratch protection to safeguard devices
- Compatible with camera control and Apple cross body strap

Product Features

- Durable protection
This case provides robust drop and scratch protection, ensuring the phone remains in pristine condition even during everyday use.
- Eco-friendly materials
Crafted from 45% recycled silicone, this cover protects your phone and contributes to sustainable practices.
- Soft-touch finish
The soft-touch exterior enhances grip and comfort, making it easy to hold your phone securely.
- Integrated magnets
Built-in magnets ensure compatibility with wireless charging, allowing for effortless charging without removing the case.
- Versatile functionality
Supports camera control and is compatible with Apple cross body strap, adding convenience to your mobile experience.
