

Apple (MHWC4ZM/A)

Apple - Protective cover for mobile phone - MagSafe compatibility - polycarbonate - clear - for iPhone 17e

The Apple carrying case is designed to provide reliable protection and style for cell phones. Featuring a protective polycarbonate cover, this case offers robust drop and scratch protection, ensuring that devices remain safe in everyday use. With built-in magnets and MagSafe compatibility, this case supports easy attachment to MagSafe chargers for seamless wireless charging, enhancing user convenience. The thin design and easy grip feature make it comfortable to hold without adding bulk to the device.

Key Selling Points

- Protective polycarbonate material for durability
- Built-in magnets for MagSafe compatibility
- Thin design for easy portability
- Scratch-resistant coating for lasting aesthetics
- Drop protection ensures device safety

Product Features

- Durable construction**
Constructed from high-quality polycarbonate, this carrying case is designed to withstand daily wear and tear while providing essential protection for your cell phone.
- Enhanced protection**
With features like drop protection, scratch protection, and yellowing protection, this case ensures that your device remains in pristine condition over time.
- User-friendly design**
The easy grip feature allows for comfortable handling while using the device, making it practical for daily use.
- Qi2 wireless charging support**
This carrying case supports Qi2 wireless charging standards, allowing for effortless charging without the need to remove the case.
- Magnetic convenience**
Built-in magnets simplify the attachment to MagSafe chargers, allowing for a secure and efficient charging experience.
