

Apple (MHVM4ZM/A)

Apple - Protective cover for mobile phone - MagSafe compatibility - silicone - vanilla - for iPhone 17

The Apple protective cover is designed to provide reliable support for your cell phone while maintaining a sleek profile. Made from 45% recycled silicone, this back cover features a soft-touch finish and a soft microfiber lining, delivering a premium feel and enhanced grip. Built-in magnets ensure compatibility with Apple's ecosystem, allowing for easy attachment to compatible accessories while also providing drop and scratch protection. With wireless charging support including Qi and Qi2 standards, this case combines functionality with eco-conscious design for a balance of protection and style.

Key Selling Points

- Designed for effective drop and scratch protection
- Built-in magnets enhance compatibility with Apple accessories
- Crafted from 45% recycled silicone for an eco-friendly choice
- Features wireless charging support for convenient power access
- Lined with soft microfiber to prevent scratches on the device

Product Features

- Reliable protection**
The case offers robust drop and scratch protection, ensuring your cell phone remains in excellent condition while in use.
- Eco-friendly materials**
Made of 45% recycled silicone, this case reflects a commitment to sustainability without compromising quality.
- Magnetically compatible**
Equipped with built-in magnets, the case is designed to seamlessly connect with various Apple accessories for enhanced usability.
- Soft-touch finish**
The soft-touch exterior provides a comfortable grip, making it easy to hold and use your device throughout the day.
- Wireless charging ready**
With support for Qi and Qi2 wireless charging standards, this case allows for convenient charging without removing your device from the cover.
