

5 m High Speed HDMI Cable (HDMM5M)

Startech 5m High Speed HDMI Cable - Ultra HD 4k x 2k HDMI Cable - HDMI to HDMI M/M - 5 meter HDMI 1.4 Cable - Audio/Video Gold-Plated (HDMM5M) - HDMI cable - HDMI male to HDMI male - 5 m - shielded - black

The HDMM5M High Speed HDMI cable (5m/16.4ft) features 2 gold-plated HDMI (male) connectors and durable high quality construction to provide a dependable HDMI to HDMI connection between devices such as Blu-Ray Disc players, HDTVs, DVD Players, stereo receivers, projectors and more. This high quality HDMI cable is available in a variety of colors. To accommodate the demands of future high definition devices, such as increased resolutions and higher frame rates, this Ultra HD cable supports resolutions up to 4k x 2k. StarTech.com High Speed HDMI digital video cables are constructed using only top quality materials to ensure high quality, high definition performance. The HDMI standard combines high bandwidth video and multi-channel digital audio into a single cable, and provides crystal clear image resolution. This is a replacement product for StarTech.com's 15 ft High Speed HDMI Cable - HDMI- M/M (HDMIMM15).

Key Selling Points

- Supports Ultra HD 4k x 2k resolution
- Gold-plated connectors ensure optimal signal transfer
- Shielded construction reduces interference
- Durable molded design for lasting use
- 5 m length allows flexible installation

Product Features

- Reliable build quality**
Constructed with aluminum mylar foil and braid, the cable provides effective shielding against external interference, ensuring consistent audio and video performance.
- Flexible connectivity**
With a length of 5 m, this cable allows for versatile setups, making it suitable for home theater systems, gaming consoles, and professional presentations.
- Gold-plated connectors**
The connectors are gold-plated, which enhances durability and provides excellent conductivity for a high-performance connection between devices.
