

Brother LC12EY (LC12EY)

Brother LC12EY - XL Capacity - yellow - original - ink cartridge - for Brother MFC-J6925DW

The Brother LC 12EY ink cartridge is a premium printing consumable designed to meet the needs of both high-volume and quality-centric printing. With its XL Capacity, it offers an impressive duty cycle of up to 1200 pages, reducing the need for frequent replacements and ensuring uninterrupted printing. The cartridge features Brother's exclusive Innobella technology, which ensures vibrant, lifelike colors and crisp, clear text with every print. This technology, combined with the ink-jet printing method, makes the LC 12EY suitable for printing everything from important documents to high-quality photographs. Additionally, the Brother LC 12EY is an environmentally responsible choice, boasting the Blue Angel certification for its eco-friendly design. Whether for home or office use, this ink cartridge provides reliable performance and superior print quality, making it a valuable addition to any printing setup.

Key Selling Points

- XL Capacity for up to 1200 pages per cartridge
- Incorporates Brother Innobella technology for vivid print quality
- Certified with Blue Angel for environmental friendliness
- Original Brother cartridge ensures reliability and quality
- Designed for use with ink-jet printing technology

Product Features

- High yield printing**
Designed for efficiency and productivity, the Brother LC 12EY ink cartridge has an XL Capacity, capable of delivering up to 1200 pages per cartridge. This high yield ensures that users can print more without frequent replacements, making it suitable for both home and office use.
- Vivid print quality**
Featuring Brother Innobella technology, this ink cartridge produces vibrant prints with sharp images and crisp text. The advanced formula of the ink ensures that each print is high quality, suitable for professional documents and vivid photographs.
- Eco-friendly choice**
With the Blue Angel certification, the Brother LC 12EY ink cartridge meets strict environmental standards. This certification assures users that their printing solutions are high quality and eco-friendly, contributing to a healthier planet.
