

Ergotron Pole Collar Mounting component (97-844)

Ergotron LX Pole Collar - Mounting component (collar) - pole mount - for P/N: 45-353-026

Use this collar with LX Sit-Stand Arms when attaching a second arm to the desk-mount base. The collar locks on at any point along the pole, allowing an arm to be stationed at a given height.

Key Selling Points

- Allows a second LX Sit-Stand Arm to be attached at any point on the pole of an installed base
- Simple installation
- Easily reposition height on pole by loosening/tightening collar's set-screws

Product Features

- Reliable pole mount design
- The collar mount system provides a strong and stable attachment to poles, enhancing the flexibility of equipment placement.
- Easy installation
- Included screws and hex wrench streamline the setup process, allowing for quick and hassle-free installation.
