

Acer OPD622 (ZL.ADTCC.00M)

Acer OPD622 - USB-C power adapter - AC 100-240 V - 100 watt - output connectors: 4 - Europe - black

The Acer OPD622 is a versatile power adapter designed for efficiency and safety. With a compact external form factor, it offers power delivery of 100 W through multiple connectors including three 24-pin USB-C (PD) and one 9-pin USB Type-A. Its 2 m USB-C cable ensures convenient connectivity while maintaining a neat environment for your devices. This adapter is compliant with USB Power Delivery standards, ensuring safe and efficient charging for a wide range of devices. It is engineered with Gallium Nitride (GaN) technology, providing a high-performance experience. The power device also incorporates several protective features, including overvoltage protection, overcurrent protection, overheating protection, and short-circuit protection, making it a reliable choice for your charging needs.

Key Selling Points

- Delivers 100 W of power for fast charging
- Includes multiple output connectors for versatile use
- Features advanced GaN technology for improved efficiency
- Equipped with comprehensive safety protections
- Compliant with USB Power Delivery standards

Product Features

- Efficient Power Delivery**
This power adapter utilizes USB Power Delivery technology to ensure efficient charging for a variety of devices, providing up to 100 W of power.
- Robust Safety Features**
Designed with overvoltage protection, overcurrent protection, overheating protection, and short-circuit protection, enhancing user safety while in use.
- Gallium Nitride Technology**
Incorporates GaN technology, allowing for a smaller and more efficient power adapter that minimizes heat generation and maximizes charging speed.
- Versatile Connectivity Options**
Offers three 24-pin USB-C (PD) connectors and one 9-pin USB Type-A connector, providing flexible connection options for various devices.
- Extended Cable Length**
Features a 2 m USB-C cable, providing additional length for easy access and convenience during charging.
